

<p>Personal, Social and Emotional Development</p> <ul style="list-style-type: none"> Talking about how we all have superhero qualities and discovering what we are good at and how we can learn from each other. Setting super challenges that may involve working in super teams. Learning about empathy and how people in the community help others. 	<p>Communication and Language</p> <ul style="list-style-type: none"> Developing superhero headquarters to encourage lots of talking on walkie-talkies and phones. Building their own small world scenarios to tell and retell their own stories. 	<p>Physical Development</p> <ul style="list-style-type: none"> Using equipment to enhance hand eye coordination Making a fitness boot camp to ensure we keep our bodies healthy. Using junk modelling to make superhero gadgets.
--	---	--

Literacy

- Writing secret messages, designing outfits and writing about super powers.
- We will continue with shared story writing using the children's ideas.
- Writing comic strips

Please take a moment to add a comment in reading journals to let us know how reading is going at home.

Reception parents are invited to come in and read with children during our reading mornings every Monday from 8.45-9.15.

Mathematics

- There will be lots of numerals in the environment outside and inside for children to spot and refer to as well as copy.
- Using board games to count and add amounts together.
- Making up number games with rules that can then be taught to others.
- Creating shapes and describing their properties.
- Measuring time and distance using, for example, super challenges and costume making.

Reception classes: there will be a strong focus on working with amounts to twenty and developing a very clear understanding of quantity.

Understanding the World

- Using super senses to explore the world around us including the school garden.
- Learning about different professions and roles (including volunteering and caring) adults have in our school and local community.

If any parents or carers would like to come in and tell the children a little bit about their role or jobs please come and speak to a member of staff.

Expressive Arts and Design

- Using the class resources to develop their role play skills (including making choices and finding ways to bring their ideas to life) – we hope there may be superhero and adventure/ quest stories.
- Designing and making their own superhero capes and props with our artist in residence Mr Yusuf.
- Beginning to use sketching skills and making models from a variety of materials.
- Learning a repertoire of traditional nursery rhymes as well as songs that help us remember new facts.
- Music sessions will continue with Mr Nathan weekly.

Key Books:

Reception: Supertato, Eliot Midnight Superhero. Traction Man

Nursery: Superworm, yucky worm, super potato.

Clothing

Make sure your child has a spare set of clothes. Children must not have laces on their shoes.
