Topic

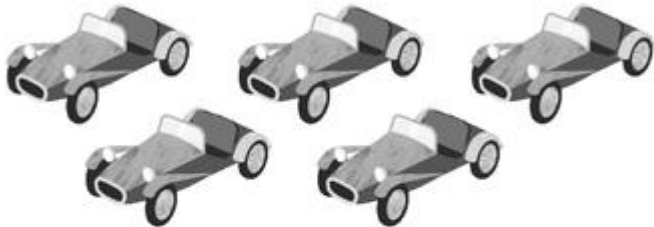

Our Winter Show this year is 'Penguin Pete'. We have been learning our lines and our songs in class.

- 1- Next week we start practicing the show altogether so please try and learn your lines and the songs as well as you can.
- 2- Think about your character in the show. What might they wear? Design and draw your character in their costume. Think about where your character lives or where they travel to, is it cold or hot there?

Maths

In Maths we have continued solving word problems using our times-tables, try and answer these questions using whatever method works best for you:

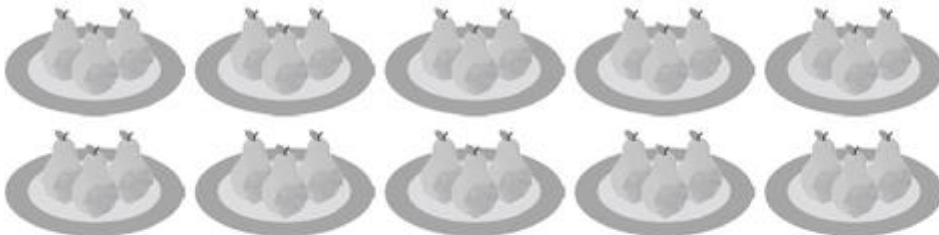

There are 5 toy cars. Each toy car has 4 wheels.
How many wheels are there altogether?

$$\square \times \square = \square$$

There are wheels altogether.

There are 10 plates. There are 3 pears on each plate.
How many pears are there altogether?

$$\square \times \square = \square$$

There are pears altogether.
